## BOARD MEETING

Highlights from the Ministry  
Board meeting of  
First Christian Church,  
March 28, 2016

### CELEBRATIONS SHARED!

Heard the **VERY** joyful news that as of the end of February, **FCC's operating budget was almost \$20,000 "in the black,"** and that **offerings were exceeding what was budgeted by over \$14,000!** **THANK YOU** for your generosity!

Received another extensive report from Sr. Pastor Chuck Blaisdell and Capital Campaign Project Manager Gay Hatler on the status of the "air handling" projects that have to come, per code, before air conditioning can be contemplated. **An updated version will be shared with the congregation soon, including where our finances are.**

### ACTIONS TAKEN

Approved (as recommended by the Personnel & Administrative Committees) a minor change to the Personnel Policy concerning building closure for inclement weather and employee make-up days for such closures. (Copies of the Personnel Policy are available from Sr. Pastor Chuck Blaisdell)

Received a report from the "Marketing Team" concerning excellent progress on updating the church's website (which is now six years old). Stay tuned!

Received the good news that the Tennyson Center may finally be able to open their El Paso County satellite operations in later summer or fall in the renovated space made possible through your gifts to the Capital Campaign.
